

Medical Bills, Liens & Expense Tracker

Organize every bill, lien, and dollar before you settle — so nothing is left out of your demand and no lien surprises you at the end.

Provider & bill tracker

Provider	Date(s) of care	Billed	Balance

Lien & subrogation log

Health insurers, Medicaid/Medicare, and MedPay may have a right to be repaid from your settlement. Track them so you know your true net recovery.

Lienholder (insurer / Medicaid)	Contact	Asserted amount

NC liens in brief

Under NC law, certain providers and payers can claim a portion of your recovery, and statutory limits can cap how much medical liens take from a settlement. These amounts are often negotiable — confirm the current rules before you sign a release.

Mileage & out-of-pocket

Date	Purpose	Miles	Cost
